Dear Parents,

With Prep interviews for 2022 having recently commenced, it is timely for you as parents to consider the reasons why you chose to send your child to Emmanuel. When choosing a school, parents are signing up to the beliefs and expectations that the school will 'make good' on what they say they will do! This is a big step towards a successful education for your child, but it is not the only step.

There are going to be fundamental values that are at the heart of the school and its philosophy and therefore why it goes about things in the way it does. You, not just your child, is 'signing up' for these values when you join the school community. Honesty, Respect, Dignity, Love, Justice and Faith are values fundamental to our school.

Emmanuel is a Catholic School. Despite what some people may think, we are not a private school! We will always embrace the marginalised and the disadvantaged and welcome all who seek the kind of education that our school offers. We will still keep striving to set high expectations for all, whilst acknowledging that not all begin on the same starting line when they arrive.

I honestly believe if we simply demand of ourselves what we demand of others, focus on being part of solutions rather than just highlighting problems, treat all with respect and dignity, we would not need policies, protocols, rules and regulations. There is no one who can profess to be perfect in all of these pursuits, but if we are not interested in trying to live these values and beliefs out more consistently, even if only in the very least, as models for our children, then I am not sure that Emmanuel is going to meet your needs. This is part of the conversations that take place with new enrolments and, in particular, Prep enrolments. It should also be part of our shared ongoing conversation with each other as existing members of Emmanuel Catholic Primary School.

A little Catholic Humour

GOD CREATES EVERYONE

A little girl was sitting on her grandfather's lap
as he read her a bedtime story.

From time to time, she would take her eyes off the book
and reach up to touch his wrinkled cheek.

She was alternately stroking her own cheek, then his again.

Finally she spoke up, "Grandpa, did God make you?"

"Yes, sweetheart," he answered, "God made me a long time ago".

"Oh," she paused, "Grandpa, did God make me too?"

"Yes, indeed, honey," he said,

"God made you just a little while ago."

Feeling their respective faces again, she observed,

"God's getting better at it, isn't he?"

Wishing you every blessing for the coming week,

Geraldine Rostirolla

Lord, send out your Spirit and renew the face of the earth.

The season of Easter concludes with the feast of Pentecost. At Pentecost, fifty days after Jesus rose from the dead and ten days after He ascended into Heaven, we remember and celebrate that the Holy Spirit descended upon the Apostles. Their hearts were filled with the gifts of the Holy Spirit and they went out to continue the work that Jesus had started and commissioned them to do. Pentecost is often called the birthday of the Church.

Acts 2:1-11

The Spirit comes to the Apostles as tongues of fire.

1 Cor 12:3-7, 12-13

Be guided by the Spirit.

John 20:19-23

The Spirit will guide the Apostles to all truth.

MARY MOTHER OF THE CHURCH

Mary was there from the very beginning, for the birth of Jesus and at the 'birth' of the Church.

The Monday after Pentecost, is the Memorial Feast of The Blessed Virgin Mary, Mother of the Church. This feast day, instituted by Pope Francis, was announced and celebrated for the first time in 2018.

*God, Father of mercies,
whose Only Begotten Son, as he hung upon the Cross,
chose the Blessed Virgin Mary, his Mother,
to be our Mother also,
Grant, we pray, that with her loving help
your Church may be more fruitful day by day
and, exulting in the holiness of her children,
may draw to her embrace all the families of the peoples.
Through our Lord Jesus Christ, your Son,
who lives and reigns with you in the unity of the Holy Spirit,
one God, for ever and ever.
Amen.*

CATHOLIC EDUCATION – CELEBRATING 200 YEARS

This year we celebrate 200 years of Catholic Education in Australia. Masses will be celebrated across all states, territories and dioceses on Monday 24 May. Our students will share in the livestream Mass from St Joseph's Cathedral, Rockhampton.

Catholic Education
CELEBRATING 200 YEARS
Faith in the future

PATRONESS OF AUSTRALIA

The Feast day of Mary Help of Christians is celebrated on 24 May each year. Here are some quick facts about Australia's special relationship with Mary.

- It is recorded that when there were no priests in colonial Australia, Catholics prayed to Mary to nurture their faith.
- One of the first priests, Father Therry, dedicated the Australian Church to Mary under the title "Help of Christians".
- Australia was the first nation to have Mary, Help of Christians as its patroness and to observe the feast on a national scale.
- In 1815, the feast (24 May) and special title (Our Lady Help of Christians) were introduced by Pope Pius VII in thanksgiving for being liberated from prison. It is also a special day of significance in Australia, because in 1844 the bishops nominated Mary as a special patron of our country under this title.

*Almighty God, deepen in our hearts
our love of Mary Help of Christians.
Through her prayers and under her protection,
may the light of Christ shine over our land.
May Australia be granted harmony,
and peace.
Grant wisdom to our leaders and integrity to our citizens.*

of the Australian Defence Force and their families.

Mary Help of Christians, pray for us.

LAUDATO SI' WEEK (16-25 MAY)

Pope Francis' encyclical on Care for Our Common Home, *Laudato Si'*, is an inspiration during moments of difficulty. It encourages us to reflect on the values we share and to create a more just and sustainable future.

"For we know that things can change."

During Laudato Si' Week 2021, we are invited to come together as one people around the world to prayerfully discern the lessons of this moment. While the world experiences a history-defining crisis, we reflect and prepare to build a better world. We celebrate the great progress the whole Church has made on its journey to ecological conversion and pray for the care of creation and the world's most vulnerable.

To hear from Pope Francis, for a beautiful prayer and more details of *Laudato Si'* Week go to:

FREE RICE CHALLENGE

This online quiz challenge, that rewards correct answers with donated rice, is an initiative of the United Nations World Food Programme. It is great to think that we can have fun, practise our skills, increase our knowledge and help to feed the hungry in our world at the same time. There are lots of different quiz categories. A great family activity.

By packing lunch in containers that we can

REUSE or

RECYCLE we will

REDUCE waste and help save the planet.

NO DISPOSABLE PACKAGING PLEASE!

Plastics and other disposable packaging will be sent home in lunchboxes.

SAVING OUR PLANET

WOW Wednesday's continue to be a great success. Lots of families are packing fruit snacks, morning teas and lunches in reusable containers. We only put out two bins last Wednesday and they were almost empty. Together we are making a difference. Keep up the great effort everyone.

VIRTUE OF THE FORTNIGHT

Being purposeful is having a clear focus, instead of being unsure of what you are doing or why you are doing it. You are acting purposefully when you have a goal you are working toward. You concentrate your mind and your efforts to achieve your goal. You have a positive attitude and don't let obstacles stop you from doing what is important. Some people just let things happen. A purposeful person makes things happen.

"If you don't know where you are going, any road will get you there." (Lewis B Carroll)

National Simultaneous Storytime

Imagine astronauts reading stories from space to school children & families in an exciting new program that combines literature with science!

Yesterday, that is exactly what happened when ALIA along with Scholastic, the Australian Space Agency and the Office of the Chief Scientist invited us all to join in for an intergalactic experience with the NSS 2021 book being read by the astronaut Dr Shannon Walker from the International Space Station.

Emmanuel is very proud to be part of the National Simultaneous Storytime each year, however this year was super exciting and out of this world!

National Simultaneous Storytime (NSS) is held annually by the Australian Library and Information Association (ALIA). Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other

places around the country. Now in its 21st successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's book that explores age-appropriate themes, and addresses key learning areas of the National Curriculum for Foundation to Year 6.

By facilitating NSS we aim to:

- promote the value of reading and literacy,
- promote the value and fun of books,
- promote an Australian writer and publisher,
- promote storytime activities in libraries and communities around the country

NAPLAN Online

All NAPLAN tests have now been completed and catch-up tests will be finalised tomorrow for any students who were absent over the testing days.

To our families and carers, I thank you for ensuring all of your children arrived promptly, with a willingness to “Have a Go” and striving to do their best throughout this testing time. Students were well prepared with your support at home in partnership with our guidance at school, this was very evident in the positive mindset all students displayed whilst participating in NAPLAN Online for 2021.

We look forward to receiving the results later in the year so as we can reflect and analyse our strengths and weaknesses and respond to the needs of our learners as we journey through our next cycle of School Improvement, setting Goals and Student Targets.

PEER SUPPORT – THIS FRIDAY

This Friday sees the commencement of our Peer Support program for 2021. We are looking forward to our Year Six student leaders successfully implementing this valuable program throughout the school. On Tuesday our leaders took part in a Peer Support training day, and are congratulated on their fabulous participation and enthusiasm. They are all looking forward to working with their groups on Friday.

As mentioned in last week's newsletter, the focus of Peer Support for this year is:

RESILIENCE – TAKING OPPORTUNITIES.

The module, *Taking Opportunities*, focuses on the important life skill of resilience, supporting students to develop the skills, knowledge and attitudes that will enable them to cope more effectively with difficult and challenging experiences.

In the first session this Friday, the children will establish connections with other members of their group and develop their group agreement to enable them to work well together. The children will share some of their favourite things and get to know each other better.

You might like to discuss with your child what they can do to help them take an active role in Peer Support.

We look forward to wonderful student leadership and another successful year of Peer Support here at Emmanuel.

We are currently experiencing a very large volume of orders through our tuckshop, which is great, however due to many of our volunteers unable to commit due to work commitments and unwell family members we have been struggling for volunteers to help us fill the orders on time.

So, we are calling for more people to volunteer just a few hours of their day, or once a month to assist in the tuckshop. We provide lunch, it's a friendly environment and the children love to see a parent or grandparent at break times.

Please phone the office if you can be of help.
