Term Four

First Day of Term
Tuesday 5 October

Dear Parents,

A well-known TV advertisement stirs up our sense of belonging to our home country. It shows Australian children's choirs in different locations all over the world singing 'I Still Call Australia Home'. It reminds us that despite all the problems of our nation, no matter how far away we go, deep down we still have a sense of belonging to our own country.

All of us face problems in our families, in the church and in society. Wherever there are two or more people, there can be hurts and divisions. Yet it is also through people that we come to know God and to be fulfilled personally. St Paul tells us that love is one thing that cannot hurt our neighbour. Our closest neighbours are members of our families. No matter how far we 'roam', home is the place where our family lives.

Father's Day is a good time to pause and appreciate a unique person that God has put into our lives - our father. It is easy to take fathers for granted. The natural hurts that arise in all families can cause us to forget the wealth of goodness and commitment that is also there.

Father's Day gives us an opportunity to recall and affirm the particular gifts that fathers bring to families. This includes our personal fathers, grandfathers, single parent fathers, uncles and important father figures in our lives.

There is no 'right' way of showing appreciation of one's father. The important thing is to do it. When expressing thanks to your dad it is a good idea to connect with something specific - a special quality or a specific incident in the past that typifies your father's care and commitment. People can give presents, but the most important gift is the gift of appreciation. Every father knows that he is human and doesn't always do things perfectly. He needs to hear from his children that he 'must have done something right' - maybe even magnificently!

Whether it is their sense of humour, ability to see the positive side of difficult situations, patience even when they are tired, or their wise words of encouragement and love, this Sunday we hope that all Emmanuel dads, grand-dads and uncles enjoy a wonderful day.

*May our relationships with our fathers be marked by appreciation and love.
May the intimate love of Jesus for the Father lead us to be a sign of his love of others.
May the blessing of the Father, the Son and the Holy Spirit
be upon you and your family forever.
Amen.*

A reminder to all families that tomorrow is a Pupil Free Day for all Catholic Schools throughout the Mackay region. On this day, all staff will have the opportunity to gather in prayer at St Joseph's Church to farewell our friend and colleague, Mrs Catherine Cordwell who recently passed away from an aneurysm. Cathy joined our Emmanuel family in 2012 as a Teacher Assistant in Learning Support. Over the years she has worked across many classrooms, including in more recent times, Prep. During this time Cathy has touched the lives of hundreds of children with her genuine love for her work and her many selfless acts of kindness.

Cathy was a treasured member of our school community. In my conversations with Cathy's husband Wayne, he shared how Cathy loved her job dearly and would often speak to him of her experiences and the special moments that she shared with the children. Each child Cathy worked with was special and treasured. A Mother of one of the students Cathy had helped, recently cared for Cathy in ICU, and shared that just as Cathy had helped her son she would now look after Cathy. These are such special memories of a beloved and much-admired teacher assistant who made a difference each day. It is therefore fitting that as a school community we remember Cathy in prayer on Friday 10 September. The children will have an opportunity to pray for her and her family during this time of remembrance. This will take the place of our usual Friday Assembly commencing at 9.00 am.

May Cathy now enjoy the rewards of her eternal home as she journeys to be with her God.

Wishing you every blessing for the coming week,

Geraldine Rostirolla
(Principal)

RE Matters

ONE FOR THE DADS – A BLESSING

*I will be your father,
and you shall be my
sons and daughters,
says the Lord Almighty.*
(2 Corinthians 6:18)

God bless you when it's Father's Day
and each day all year through,
God grant that faith and hope and love
will always come to you,
God be your friend, your guiding light,
forever on life's way,
God keep you in His loving care
Today and every day.

**HAPPY
FATHER'S
DAY**

CELEBRATING FATHER'S DAY

We are having our annual Father's Day picnic and all dads and grandads are invited. It will take place in the playground between the library and Year Two/Prep building at 10:30am on Monday 6 September. Please bring a chair or rug and morning tea to share with your children. We look forward to sharing this time with as many fathers and grandfathers as possible.

SEASON OF CREATION

'We are called to care for creation not only as responsible citizens, but also as followers of Christ!' (Pope Francis)

The **Season of Creation** is an ecumenical season dedicated to prayer for the protection of creation and the promotion of sustainable lifestyles. It begins on 1 September and concludes on the Feast of St Francis of Assisi on 4 October.

This season takes on a special significance this year, as it coincides with Pope Francis's invitation to a *seven year journey towards total ecological sustainability, guided by seven Laudato Si' goals*. It also reflects the Australian Catholic Bishop's 2021-2022 Social Justice Statement, ***Cry of the Earth, Cry of the Poor***, which encourages us to 'listen to people, to the earth, and to all of God's creations.'

Find out more about Pope Francis's invitation @ <https://laudatosiactionplatform.org/>

For further details about the Social Justice Statement, visit the Australian Catholic Social Justice Council website at www.socialjustice.catholic.org.au

MARY'S BIRTHDAY

On 8 September each year the Church celebrates Our Lady's birthday. We do not usually celebrate the birthdays of the saints. Instead, we celebrate the day they died, because that is the day they were born to eternal life. But the birth of Mary is special. We celebrate her birthday because she came into this world full of grace and because she is the Mother of Jesus and our heavenly mother.

Why not celebrate Mary's birthday by spending time as a family and saying a prayer for each other? There are lots of beautiful 'Mary' prayers to share, including the Hail Mary and The Rosary.

Follow the links to listen to some lovely 'Mary' songs:

Hail Mary – Gentle Woman

<https://www.youtube.com/watch?v=RERoQ1biLdE>

Ave Maria

<https://www.youtube.com/watch?v=66zUY8UZn4M>

FIRST COMMUNION

Please pray for the students who will receive the Sacrament of Eucharist for the first time this weekend.

Students preparing for First Communion are reminded to attend practice at St Joseph's Church tomorrow afternoon, Friday 3 September at 3:30pm. The Sacrament of Penance will follow the practice and candidates are encouraged to participate.

Celebration of First Communion		
Saturday 4 September	6:00pm	St Joseph's Church
Saturday 4 September	6:00pm	St Brigid's Church
Sunday 5 September	7:30am	St Brendan's Church
Sunday 5 September	9:00am	St Joseph's Church

NEW SACRAMENTAL PROGRAM STARTS NEXT WEEK

A meeting for the parents of Year Three students wanting to prepare for the Sacraments of Penance, Confirmation and Eucharist will be held at St Joseph's Church on **Wednesday 8 September**. A letter detailing the parish program and registration requirements was sent home recently.

If you have an older child wishing to receive the Sacraments as part of the 2021/2022 Program, please collect a copy of this letter from the school office.

THIS SUNDAY'S READINGS:

Isaiah 35:4-7

God comes with vindication.

James 2:1-5

Do not judge by appearance.

Mark 7:31-37

Jesus heals the deaf man.

WEEKEND MASS TIMES

St Brigid's Church - Saturdays 6:00pm

St Joseph's Church - Saturdays 6:00pm, Sundays 9:00am

St Brendan's Church - Sundays 7:30am

Please use the QLD QR Code check-in app when attending Mass.

AUSTRALIA'S BIGGEST CHILD SAFETY LESSON (ABC SL)

Each year the *Daniel Morcombe Foundation* produce *Australia's Biggest Child Safety Lesson*. This year they have provided two lessons. The lesson for students in Years 4-6 focuses on *seeking help*, while the lesson for students in Prep - Year 3 will highlight *the key messages of recognise, react, report*.

Both editions of ABCSL will be live streamed on Tuesday 7 September, during *National Child Protection Week* (5-11 September) and students in all year levels will be participating. This also coincides with the implementation of the Daniel Morcombe Child Safety Curriculum at Emmanuel this term.

For more information about ABCSL and to view lessons from previous years go to:

<https://danielmorcombe.com.au/australias-biggest-child-safety-lesson-2/>

For resources and information about child safety go to:

<https://danielmorcombe.com.au/fact-sheets/>

VIRTUE OF THE FORTNIGHT – CREATIVITY

God, the creator, is the source of all creativity. In creating man in His own image, He gave us the gift of creativity too.

Creativity is the power of imagination. It is discovering your own special talents. Dare to see things in new ways and find different ways to solve problems. With your creativity, you can bring something new into the world. Creativity helps us to be all we are called to be.

“Creativity is God’s gift to us. Using our creativity is our gift back to God.” (Julia Cameron)

Noeleen Kliese
Assistant Principal Religious Education

Health Guidelines for Students

A reminder to all parents that Emmanuel Catholic Primary School and the Rockhampton Catholic Education Diocese follow all relevant QLD Health guidelines.

At this stage, we continue to operate in a *COVID-normal* environment, which is what we have experienced in the past months. With the ever changing situation in Queensland, I refer parents to the [QLD Health Website](#), which will provide the most up to date information pertaining to parents and students.

Again, I ask that parents adhere to all relevant Qld Health requirements and keep students home if they are unwell. If students have a COVID test, they are not to return to school until the results has been returned. If families have any queries, please consult the [QLD Health Website](#) or contact the school office.

Curriculum Corner

Emmanuel Catholic Primary Strategic Priorities 2020 – 2022

Catholic Identity and Ethos 	Effective Teaching and Learning (NSIT Domains 2,5,6,7,8) 
<p>Strategic Priority 1.1 For all members of the school community to continue to strive and maintain Emmanuel as a dialogue school through the traditions and practices; celebrations; teaching and learning.</p> <p>Goal <i>Implementing Catholic Social teaching and service learning within the Curriculum.</i></p>	<p>Strategic Priority 2.1 That our school has a culture of data informed practice where every student is engaged and learning successfully in their own ways at their own pace.</p> <p>Goal <i>To improve student learning outcomes in Mathematics as we build teacher capacity to collect, analyse and respond to data with a focus on student engagement and surface, deep and transfer learning.</i></p> <p>Strategic Priority 2.2 That our school has a feedback culture of continuous improvement which builds a schoolwide team of professional highly able teachers who use data and evidence-based teaching strategies to support deep student learning.</p> <p>Goal <i>All teachers will collaboratively plan and focus on embedding the Inquiry approach to Spelling across all year levels.</i></p>
Pastoral Support and Wellbeing (NSIT Domain 3) 	Leadership, Partnerships and Resourcing (NSIT Domains 1,4,9) 
<p>Strategic Priority 3.1 To enhance student learning and well-being outcomes through the development of a school well-being framework.</p> <p>Goal <i>For all teachers across Years 4-6 to build their knowledge of the "Be You – Mentally Healthy Communities" survey.</i></p>	<p>Strategic Priority 4.1 That deliberate and strategic school community partnerships are developed to enhance teacher understanding of flexible learning and collaborative teaching environments.</p> <p>Goal <i>During 2021, students will participate in flexible inquiry-based Problem Solving and Reasoning lessons, which have been collaboratively planned and administered by their teachers.</i></p>

AROUND THE CLASSROOMS – YEAR TWO VISIT THE PAST

This semester in Year 2, students are learning all about the changes in technology over time and the differences between modern life and life in the past.

On Thursday 26 August, the Year 2 students and teachers had the wonderful experience of participating in an incursion with Greenmount Homestead. Students dressed up in “olden day” inspired costumes and enjoyed role playing some aspects of a school day in the past.

The day began with each class interviewing an historian from Greenmount, who portrayed the character of a woman living in 1952. The students particularly enjoyed learning about the similarities and differences between school in the past and their own school experience.

After comparing the changes in technology, transport, communication, household roles and schooling, students had fun playing many games from the past. We finished our day with a STEM challenge, where students created cup and string telephones.

It was a day full of fun and certainly one to remember!

PUPIL FREE DAY
FRIDAY 3 SEPTEMBER

Janine Refalo
Assistant Principal Curriculum

DANCE FEVER SHOWCASE AND CHALLENGE

This term the students of Emmanuel have participated in Dance Fever. It has once again been an exciting and valuable part of our Arts program. Each Monday, the Dance Fever team have enthusiastically introduced the students to various styles of dance, fostered etiquette and encouraged fitness. It is fabulous to have these qualified and experienced instructors guiding our students through this important program.

Next week (Monday 6 September) is the last week of lessons and parents of students in Prep – Year 2 are invited to join the fun and celebrate the students' progress and success.

Prep – Year 2 students will display their skills at a showcase during timetabled lessons and parents are welcome to attend. Please ensure you sign in via the QR code and follow covid-safe guidelines.

Monday 6 September

Year 1 Showcase	11.10am - 11.40am
Prep Showcase	11.40am - 12.10pm
Year 2 Showcase	1.45pm - 2.15pm

As you are aware, our Year 3 – 6 students will be participating in the Dance Fever Interschool Challenge. An email was distributed to parents last week. Please respond via our school email address enm@rok.catholic.edu.au if your child will be participating in this event.

Please note, it is not necessary to purchase new clothes for this event. We will clarify with the instructor if there is a "theme" for Emmanuel in next week's lesson but please be advised any suitable clothing will be adequate for the night.

COLLECTING STUDENTS FOR APPOINTMENTS

If your child has an appointment during the school day, please email their classroom teacher to inform them about the appointment and expected collection time. When collecting your child, please allow enough time to sign them out and for them to arrive at the office. It is important to keep in mind that students are not always in their classroom and may take longer to make their way to the office if their teacher is unaware of the arrangements. Whenever possible, ensure your child knows the time of their appointment. Phone calls to classrooms take the time of office staff and are disruptive to student learning and need to be kept to a minimum. Thank you for your understanding and cooperation.

MATHS OLYMPIAD

Last week's answer: \$165

Week 8 problem: The product of two numbers is 128 and their quotient is 8. What are the numbers?

Amanda McDonald
Assistant Principal Administration

Year Six Camp

Last week, the Year 6 students, teachers and volunteer parents travelled to the Capricorn Caves and Great Keppel Island for a fun-filled, activity packed four days of leadership challenges and adventures. The students all had a fantastic time, it was excellent to see the students step outside their comfort zone and build new friendships through challenging experiences. The students participated in activities such as Adventure caving, Rock Wall Climbing, Team Challenges, Rocky Instincts, Crate Climbing, Fossil Tours, Boom netting, Snorkeling and exploring on a glass bottom boat. The highlight for many was crawling through the caves and facing their fears.

Many thanks to our wonderful staff Mrs Refalo, Mrs Jensen, Mr Steel, Mrs Tomkinson, Mrs McDonald and particularly Miss Kirwan for her organisation of the camp. Thanks also to the fabulous parent helpers, Amy McCreddie, Christo Hudson, Shane Warren, Matt Murphy and Michelle Buckeridge, who accompanied supervised and supported the students on their adventure.

Highlights from the students:

Landon Hammer (6S): IT WAS AMAZING I don't think it could have been any better as the camp. It was one of the best things in my life and I love how I got to do it all with my friends and how we got stay with them in a tent for a few nights. Great Keppel was awesome.

Riley Warren (6K): Year Six camp has been fun and it gives us this fantastic experience. Grade six camp will be a time that we never forget in our lives.

Artaya Ridley (6TR): It was great, I loved the Rocky Instincts and Crate Climbing. When doing the crate climb all of your team had to work together which was awesome.

Year 6 Capricorn Caves Camp – Queensland Government Subsidy

To assist families in meeting the cost of the excursion, the Queensland Government, through the Great Barrier Reef Education Experience Program, has provided a subsidy to the school of \$85- per student who went on the Capricorn Caves Excursion. This subsidy will be credited to your Term 4 School Fee account. We would like to thank the Queensland Government for this initiative.

VOLUNTEER ROSTER TERM 3 WEEK 9

Monday 6 September:	HELP WANTED
Tuesday 7 September:	HELP WANTED
Wednesday 8 September:	HELP WANTED
Thursday 9 September:	Lara Le Garde
Friday 10 September:	Teresa Crowe Mark Ayles

We are in **URGENT** need of tuckshop volunteers. Without this help we are unable to provide lunches to our students on time.

Please contact our office on 4942 5999 if you can help.

We are currently experiencing a very large volume of orders through our tuckshop, which is great, however due to many of our volunteers unable to commit due to work commitments and unwell family members we have been struggling for volunteers to help us fill the orders on time.

So, we are calling for more people to volunteer just a few hours of their day, or once a month to assist in the tuckshop. We provide lunch, it's a friendly environment and the children love to see a parent or grandparent at break times.

Please phone the office if you can be of help.

Angie and Carly

Diocese of Rockhampton

POSITION VACANT

Student Information and Technology Officer Commencing 5 October 2021 Catholic Education Office, Rockhampton

About the role

The Student Information and Technology Officer provides support to kindergartens, primary schools and Colleges across Catholic Education Diocese of Rockhampton by supporting expert implementation of the Student Information System (SIS), leading the successful implementation of systemwide technology solutions (e.g., online enrolment, staff training and development) and collaborating with individuals and teams in the Catholic Education Office, kindergartens, schools and Colleges to extend and improve the quality of service provision and systems functionality.

Travel is required throughout the diocese in support of schools and colleges as part of this role. In recognition of the travel requirements of the role, 5 weeks annual leave is available to the successful applicant.

This is a full-time position with a competitive salary ranging from \$92,991 - \$103,321 per annum plus super.

About You

The successful applicant will have relevant experience and an understanding of, and a commitment to, the ethos of Catholic Education. In addition, you will have excellent time management skills, well developed interpersonal skills and a high proficiency of computer skills. Previous experience in implementing Student Information Systems (SIS), including the successful implementation of systemwide technology solutions (e.g., online enrolment, staff training and development) is highly desirable.

Mandatory Requirements

- A current valid Blue Card under the Working with Children (Risk Management and Screening) Act 2000 (WWC Act).
- Current Driver's Licence
- Ability to perform the physical requirements of the role in a safe manner.

To apply for this position visit our [website](#) and complete the application.

Further information

- For a confidential conversation please contact Carmel Kriz (Assistant Director: Teaching and Learning) on 074994 8000
- For further information regarding the remuneration package, please contact Employee Support Services Employment@rok.catholic.edu.au
- Applications during the shortlisting phase will be kept confidential.

Applications close: 17 September 2021

Catholic Education is committed to best practice in student protection policies and procedures and is an equal opportunity employer.

SPRING HOLIDAY

ENGINEERING, ROBOTICS & ELECTRONICS 2 DAY CAMP WONDER KIDZ

Building 5 - CQU Ooralea Campus

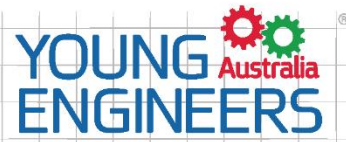

Thursday 30th September to Friday 1st October

Eligibility	Date	Time	Fee	No. of Days	Book online
Yr 1 - 8	30 Sept - 1 Oct	9:00am to 3:00pm	\$165	2	www.trybooking.com/BTOZN

From Sustainable farming to self-driving cars, **Advanced Engineering & Robotics** model a range of real-world situations that teach students a complete understanding of how the technology works and used to solve the issue at hand. The engineering lessons engage kids with a hands-on learning environment and immerse them in the applications and possibilities of modern technologies. Through PBL (Project-based learning), students combine hardware, Lego® compatible building blocks, and coding to create a prototype and solve real-world problems. The projects are designed to encourage students to invent other viable solutions to these real-world issues and explore ways to utilize existing technology. The completion of these projects will boost confidence and create problem solving ability in students to overcome any challenge from working in their future jobs to solving our world's current or future problems. **All activities are adjusted to the student age and we tackle different challenges on each day.**

Early bird discounts apply automatically on booking page. Limited spaces available.

Build Your Tomorrow. Today!

Engineering & Robotics Program provides theoretical knowledge in software and mechanical engineering combined with mathematics and physics.

Electronics: Our electronic kits are specifically designed to minimise assembly time which creates more opportunity to explore the learning's behind how each experiment works. Learn to build circuits in the classroom.

Build-Up Program is designed for little children where they start from learning the basics of building Lego Models including improving them and end up building models independently with a friend and enjoying group game.
